# JOIN THE LEADERS MAKING REAL IMPACT

The Anti-Trafficking Alliance Conference (ATAC) 2026 brings together the most influential decision-makers in the anti-trafficking field. By sponsoring ATAC, your organization aligns with the leaders who are shaping policy, driving innovation, and transforming how we combat human trafficking. Through the RISE framework—Repair, Innovate, Stop, Execute—this conference delivers actionable strategies to the executives, commanders, and movement builders defining our collective impact.

## WHY PARTNER WITH ATAC 2026?

### **Reach Decision-Makers:**

Connect with executive leaders managing multi-million dollar budgets, policy makers directing legislative initiatives, law enforcement commanders overseeing operations, and organizational leaders driving systemic change.

### **Demonstrate Leadership:**

Position your organization as a champion in the fight against human trafficking alongside the field's most respected voices.

### **Drive Innovation:**

Showcase your solutions to the professionals who can implement them at scale across multiple sectors.

### **Build Lasting Partnerships:**

Network with the cross-sector leaders who are moving entire systems forward, not just individual programs.
