### SIGNING UP

All opportunities are available on a first-paid, first-served basis, meaning payment is required to secure your sponsorship. The fastest, easiest way to secure your sponsorship is by signing up and paying your invoice, and the earlier you sign up, the more exposure your company will receive.

### MAXIMUM AVAILABLE OPTIONS

Each sponsorship opportunity has a Maximum Available section indicating the number of sponsorships available for a particular option. Opportunities priced at \$4,500 or more give a sponsor the right of first refusal for the upcoming year.

### THE FINE PRINT

Every opportunity also has sections called The Fine Print and Associated Deadlines. Please review The Fine Print carefully to learn about requirements and restrictions specific to each sponsorship and exhibit option. The Associated Deadlines section applies once a company has secured a specific opportunity, so we encourage you to add deadline reminders to your calendar to ensure a marketing opportunity isn't missed.

The following restrictions apply to ALL sponsorship and exhibit options:

- Safe House Project has the right to cancel any company's sponsorship at its sole discretion.
- Safe House Project cannot guarantee any opportunity until payment is received.
