SAFE HOUSE PROJECT

Becca is the Training & Certification Specialist for Safe House Project and started in March of 2023. She is a graduate of Montana State University with a Bachelor's in Business Administration, options in Management & Marketing, and a minor in Small Business Management. For the past five years, Becca has worked with several nonprofit organizations serving children and families. She served as Assistant Program Director with Clydehurst Christian Ranch for two years, where she led teams of counselors and organized program activities for children of all ages.
