

COMMUNITY  
ENGAGEMENT  
COORDINATOR  
SAFE HOUSE PROJECT

Kelly is a valuable member of our team, bringing a wealth of experience and passion to her role as Community Engagement Coordinator. Her background in both design/build and ministry has given her a unique perspective on how to approach community outreach and engagement. Kelly's dedication to service is evident in her three years of volunteer work, where she walked alongside survivors and educated others on how to support those in need.

As Community Engagement Coordinator, Kelly is responsible for building relationships with community organizations, businesses, and individuals to raise awareness about our mission and engage them in our work.

In addition to her professional experience, Kelly is a devoted wife and mother. She has been married to her middle school sweetheart for many years and they have two children who are currently in college. Kelly's commitment to her family is reflected in her work, as she strives to create a better world for future generations.

Kelly is passionate about making a difference in her community and beyond. She is committed to creating opportunities for people to come together and support one another, and she believes that every person has the potential to make a positive impact in the world. Her dedication, experience, and passion make her an invaluable member of our team, and we are grateful to have her on board.
