Gym Competition or Group Workout

Build community while raising funds at your local gym. Set up a fitness challenge for a little friendly competition or do a Zumba class for fun! The possibilities are endless!

Chili Cook Off

Cook up a spirit of competition and host a chili cook off at your campus. All you need are some cooks and a community that pays to judge! Take it one more level and add a bake sale, sell drinks, do a raffle to raise more money!

Corn Hole Competition

Nothing says summer like a good old-fashioned corn hole competition! Grab your friends and your boards for some fun! Raise funds by having each team pay a competition entry fee- the more teams the better!
