# Support Safe House Project with Hot Chocolate for Hope Day

Marriott Worldwide Business Council Washington DC is invited to participate in **Hot Chocolate for Hope**, a fundraiser for Safe House Project, a national organization combatting child sex trafficking in America.

This fundraiser allows participating properties, guests, business partners, and associates to turn awareness into action. Funds raised will go directly towards providing safe housing and restorative care to domestic human trafficking victims in America. Marriott International is an industry leader who has raised awareness by training 600,000 of its brand employees on how to spot and report trafficking. Marriott Worldwide Business Council Washington DC's Hot Chocolate for Hope Day is an opportunity to turn awareness into action and further the joint mission of eradicating trafficking in America restoring hope, freedom, and a future to every survivor.

## Hot Chocolate for Hope

All Marriott International hotels are invited by Safe House Project's CEO, Kristi Wells, to participate in Hot Chocolate for Hope, beginning January 2023. The goal is to have as many locations as possible participate in this program to support Safe House Project's efforts to serve and empower trafficking victims in their community.
