EMERGENCY & SURVIVOR  
SUPPORT COORDINATOR

SAFE HOUSE PROJECT

Sarah joined Safe House Project in the Fall of 2023 after serving honorably as an officer in the United States Air Force for 11 years. Her years in the military and time at the US Air Force Academy honed her leadership and organizational skills and expounded upon her call to “service before self”. Sarah earned her MBA from Thunderbird School of Global Management and went on not only to earn graduate level certificates in International Security Studies and Gender Based Violence, but also became an Assistant Professor at the University of Arizona where she led and instructed in military leadership. She is a regular volunteer and supporter of her local women’s shelter, an active member of 100+ Women Who Care, and proud to be a part of Service Academy Women. Sarah is overjoyed to be part of the Safe House Project team where she seeks every opportunity to empower women and guide them to safety.
